This amount will need to be pre-paid and we charge a R500.00 handling fee for this service.

GOLF CARTS

Golf carts are available and can be for the company, or players account at R250.00 per Cart.

SPONSORS

- Any sponsors you might have on the day will be responsible for their own tables / chairs / ice and drinks as the Club only has a limited amount of these available. The Club will assist where possible; however sponsors are requested to give the Club their requirements at least five days prior. The Club can also supply ice at an additional R 70.00 per bucket if given at least five days notice.
- Please note that the Club does not supply Table Clothes or Umbrellas.
- Please make sure that all banners are removed on the day of the event. The Club will not be held responsible for lost banners and signage. The area must be left clear and free of litter.
- Sponsors may purchase beverage stock from the Club for giveaway at a watering hole, but arrangements for this must be made at least five days prior.
- The Club may also on behalf of a sponsor or the golf day itself operate 'watering holes' on the course; the stock consumed being billed to the master account. This may be done by utilizing a voucher system whereby each player is allocated a certain number of tickets.
- Please note that sponsors may not place any food and beverages on the 1st, 10th, 9th or 18th holes in competition with the Club's halfway house.

HALFWAY HOUSE

Halfway house can be for the players account (cash) or the Company's account.

A voucher of R 60.00 per player will be enough for something to eat and drink. Vouchers can be supplied by Randpark if given at least five days notice.

CATERING

Catering at the registration can be arranged. The Club serves Tea and Coffee, Juice and Sandwiches at R 60.00 per person.

Prize giving catering can be arranged, together with the prize giving venue, with our Events Manager, Gaby Lubeck.

DRESS CODE

Relaxed dress codes are today the norm and it is, accordingly, difficult to apply dress rules. However, extremes of "casualness" cannot be tolerated at a golf club.

We require golfers to wear recognised golfing attire on the golf courses and practice areas. Members and guests entering the clubhouse or using the verandas are also required to be neatly dressed. T-shirts and slip slops are not acceptable.

COURSE ETIQUETTE

- NB: Be mindful of the pace of play and keep up to the group in front. Allow quicker players to play through.
- Call the players behind through in case of lost ball.
- Rake bunkers
- Fill divots
- Repair pitch marks on the greens.
- Pick up if you cannot score.

LIGHTNING POLICY

When the siren sounds play is immediately suspended and players **MUST** return to the clubhouse as speedily as possible. Should the all clear sound, players are welcome to proceed back onto the courses. The detectors are automated and set to detect lightning activity at a 4km boundary radius. Management and committee have been requested to ensure that the policy is adhered to, so please co-operate as these measures are designed and intended to ensure player safety. It is the discretion of the golf day organizers as to how competition results will be tallied.
