

25 – 28 November 2021

MEMBERS BRIEFING

- We understand the impact the preparation and the tournament have on members, which is why we have gone above and beyond to look after you the week before and the week of the tournament. Please note no further bookings will be taken on Firethorn for today and tomorrow, this will allow the green keepers some time in preparing the greens for the tournament. Saturday morning's field will not be affected but the course will then be closed from the afternoon until Sunday, the 28th November. Bushwillow will remain open until 21 November.
- Last year, we offered a special arrangement for the week, where the Club paid for one (1) complimentary game for all paid-up members, with unlimited tickets at selected peer clubs during the tournament week. We are extending the same offer this year. The Club will once again pay for one (1) complimentary game for all paid-up members with unlimited tickets.
- Please [click here](#) for more information on reciprocity.
- It is important to note that the Club will book tee times for members, at one of the agreed clubs, subject to availability, for a weekday or weekend round. Only green fees will be covered, any additional costs like carts, halfway, etc. will be for your own account.
- *Pro Shop closure* – please note the Pro Shop will be closed from today. Check-ins and Pro Shop services (limited stock) will be moved to the Kiddies Play area up in the Terrace bar. Bax and Greg will pre-check in all players before their round. All carts need to be settled before proceeding to the cart pick-up point.
- The Driving Range will close on Sunday, the 21st November at 16h00 – the last bucket will be sold at 16h00.
- After the Joburg Open we will be hosting the Fidelity Golf Day on Tuesday, the 30th November – BOTH COURSES WILL BE CLOSED.
- There will be a lot of traffic around the course and construction taking place over the next couple of days. We apologise for the noise levels around these areas. In the event of the contractors interfering with play, please make it known that you wish to play by whistling or shouting "Fore", so that they are aware that you want to play. We are trying to limit their presence on the course as much as possible, but your cooperation would be appreciated.

- We ask that all players appreciate the significance of this event and show the necessary consideration to the below requests:
 - We want to keep our courses clean. Please don't litter or flick cigarette butts into bunkers or around the green.
 - Pitch marks on the greens do influence the smoothness of the greens, so we kindly ask that you repair your pitch marks, even if it is just a small dent from a shorter approach.
 - Divot repairs are quite scarce in these modern times, but we ask that you do make use of your sandbag to fill your divots in the fairway. It drastically speeds up recovery of that damaged area.
 - Please don't forget to rake the bunkers as this is probably the biggest challenge we are facing at the moment.

Joburg Open Spectators

Tickets for the Joburg Open will not be on sale, but Randpark did receive tickets for our members. A few members already collected tickets from early yesterday morning, and we would like to remind everyone of the procedures and what is required to collect your tickets:

- 200 Joburg Open tickets are available per day to golfing members for the tournament (25th – 28th November 2021).
- Please collect your tickets in person from reception at the Club between the 17th and 19th November (08h00 to 17h00). Tickets are available on a first-come, first-served basis; only two tickets per golfing member in good standing.
- Members must produce their vaccination certificate when collecting their tickets, and need to ensure all parties using the tickets are fully-vaccinated.
- Please note, children under the age of 12 will not be permitted to attend the tournament.
- No telephonic or email ticket reservations will be accepted, and members cannot collect on behalf of other members.
- When utilising the tickets at the Joburg Open, you will be asked to provide your ticket, ID and vaccination certificate at the gate. Please ensure you have these documents on hand to avoid the City of Joburg denying you access.

There will be no members or spectators allowed in the clubhouse, as the restrictions limiting the number of people in the clubhouse to 750 makes it very difficult, given the fact that we must accommodate the players, caddies, all officials, together with the European Tour, Sunshine Tour, media and TV crew.

Additional information for all members that will be spectating next week:

- Please make use of the public entrance at Arend Park. All other access points to the Clubhouse will be closed and no access will be granted via the Main Gate
- Public parking will be at Arend Park
- Halfway House will be open for something to eat and drink

- No Alcohol will be sold during the tournament and no alcohol may be brought onto the property
- No Dogs will be allowed
- Please have proof of vaccination and your ID present at all times
- All other areas within the Clubhouse will be closed for members and spectators
- No Private Golf Carts will be allowed on the courses
- You will be required to wear your mask at all times

Regards

The Randpark Team
