DRESS CODE

Relaxed dress codes are today the norm and it is, accordingly, difficult to apply dress rules. However, extremes of “casualness” cannot be tolerated at a golf club.

We require golfers to wear recognised golfing attire on the golf courses and practice areas. Members and guests entering the clubhouse or using the verandas are also required to be neatly dressed. T-shirts and slip slops are not acceptable.

COURSE ETIQUETTE

- Be mindful of the pace of play, keep up to the group in front. Allow quicker players to play through
- Call the players behind through in case of lost ball.
- Rake bunkers, fill divots, repair pitch marks on the greens.
- Pick up if you cannot score.

LIGHTNING POLICY

When the siren sounds play is immediately suspended and players **MUST** return to the clubhouse as speedily as possible. Should the all clear sound, players are welcome to proceed back onto the courses. The detectors are automated and set to detect lightning activity at a 4km boundary radius. Management and committee have been requested to ensure that the policy is adhered to, so please co-operate as these measures are designed and intended to ensure player safety. It is the discretion of the golf day organizers as to how competition results will be tallied.

PAYMENT REQUIREMENTS

You will appreciate that in order to assist The Club’s finances, prompt settlement of the account for the event is necessary. The deposit amount is calculated on the amount of players and the green fee rate, this is due within 10 days of Randpark Club receiving your booking.
