

# Battle of the Brains 2019

Thursday, 25 July 2019 @ 18:00

Randpark Club, Azalea Room

R160 pp incl. Burger | 4 players per team

**All funds raised will be used to improve the educational opportunities and environment of learners at Northcliff High School**

Debs and Squires is an experience offered to Gr. 10 learners at Northcliff High School. The learners are required to raise funds on behalf of the School and St Laurence Children's Haven. St Laurence is a home for children who come from a background of abusive parents / parents with addictions. The home ensures them a safe haven while arranging education and psychological support where necessary. This year-long experience not only offers the opportunity for learners to give back to their School and community but also proves to be a tremendous growth experience at this vital age where the children are beginning to enter adulthood.
